Our Aims & Objectives

- To be proactive in promoting, maintaining and developing the work of BlindVoice UK.
- To ensure that every contact with BlindVoice UK is a positive experience.
- To convert printed material into alternative formats (Braille, CD, computer disc or large print); and market our Transcription Service to the local business community increasing communication and inclusion.
- To raise public awareness of the issues and problems relating to sight loss.
- To continue to provide and improve quality services to people with sight loss. This includes education, ICT skills, job seeking skills and participation in social activities.
- To take a leading role in the community to advance the interests of blind and visually impaired people of all ages.
